

## ROSWELL ELEVEN CONFIDENT OF SUCCESS

High School Tigers Will  
Meet Deming Tigers On  
Same Afternoon.

## CADETS HAVE NOT LOST A GAME YET

EL PASO football will be busy on Saturday afternoon at the high school Tiger stadium and students of the High school and state school of Mines are planning to make the day one that will be long remembered in the annals of gridiron history.

Captain Tommy Dwyer's Mines will meet the Roswell cadets from the New Mexico military institute in the big game of the afternoon while the Tigers face the Deming High school in the annual game between these two institutions. A return game will be played between the Tigers and Deming at the latter place, a previous contest having been postponed due to the injury of several players. The trip of the Roswell team will make its first appearance in El Paso in many years and to celebrate the opening of athletic relations with the Mines a big cadet delegation will accompany the football warriors.

Both students of the High school and Mines are engaged in a strenuous campaign of ticket selling in order to meet the expense incurred in bringing the Roswell and Deming teams here.

The Mines team which started the season with a deficit due to the expense of equipment, is now out of the hole and is only anxious to break even on the expense of bringing the cadets to this city. Students were going through the business district all day Tuesday and Wednesday selling tickets and were meeting with considerable success on the part of these citizens who are interested in the furthering of school athletics.

Captain Dwyer of the Mines, and Coach of the High school, are putting their teams through daily practice in preparation for the games. In the Deming school the Tigers are not expected the stiff opposition to be met by the Mines when the latter squad meets Roswell but the jungle warriors are not taking any chances on being out of condition. The Mines

## PRINCETON TIGERS ARE CONFIDENT OF SUCCESS IN TWO BIG BATTLES

By R. HOLMES.

NEW YORK, Nov. 1.—It is beginning to look like a Princeton year, footballistically speaking.

The years that have passed since Sam White have been lean ones for the Tiger years, full of hungry yearnings and longing eyes cast toward New Haven and Cambridge. Each year as the leaves start to turn hopes have run high at Nassau. And each year these hopes, however rosy and sunny, they have been in September and October, have withered and died under November's frost. Always something has intervened to compel the Orange men to sigh and say: "Next year—"

Lost To College.  
The Tigers already have suffered one defeat this season. Doughty College won a bitterly fought game from them some days ago. The score was 7 to 0. But in that defeat the Nassau people saw victory. They saw their hopes revived.

To understand that slightly it is necessary to realize that Princeton has lost five games in a year and win two and still have what Princetonians term "a winning year." A winning year is one in which the Tigers beat Yale and Harvard, College of the Holy Cross, and a tiny mop up of the earth with the team—any of these "chubby" colleges can administer stinging defeats, and it causes Princeton

game will, of course, be the hardest one of the afternoon as the cadets have been undefeated so far this year. Their last game being a scoreless tie with the New Mexico university which has also held its own this season.

Will Have Strong Team.  
Word from Roswell is to the effect that the team has a particularly strong aggregation. The lineup will be very near the following: Bassett, Jacobs, McQuarries and McKinney in the back field; West at right and will divide the game with Hinkle, Mateo, Godfrey and McKim, while Armstrong will be in the center. Sherman and Klinebarger are at home on the left side of the line, reinforced by Sherman and Corn, both big men.

Captain Dwyer will have his strongest lineup in the field as Fred Bailey and Harry McKim will both be new to the game. Bailey and McKim were both injured in the motor transport game. Roswell, however, is a fast gunner and the Tigers will also be out of the game Saturday, due to three broken ribs.

lane not a whit of grief so long as the Tigers can swing an eleven that can whip the Blue and the Crimson.

The results of other games are valuable or not valuable insofar as they develop or fail to develop the punch that will dominate the "Big Three." So Princeton adherents figure the Tigers won a victory over the College, for they fought the Hamiltonians to a standstill and they failed to tie up the game only by a piece of raw hard luck. And College admittedly has one of the best. If not the best, aggregation in eastern football this season.

Depend Upon Wings.  
Princeton has a well-balanced eleven this fall. Its backfield, pivoting around Marty Trimble, is the best in years. The wings are fast—Bigger and Williams on the ends have shown remarkable speed in getting down the field. The line is solid. It can be punched—College demonstrated that—but it withstood staunchly the hammerings of one of the best backfields in the east and the Tiger adherents this argues well for the Harvard and Yale games.

It's the best Princeton team I've seen since Sam White," said an old grad coming back to New York after the game. "And I've seen 'em all." There was a murmur of assent from the crowded car.

In Trimble Princeton has one of the finest backfield men in the game today. He has been a world of speed, and his work in the forward pass gained many yards against College. At Princeton they say that if Marty Trimble doesn't get an All-American berth this year the dice ought to be examined.

## Rowe Car Will Not Make Race

Officials of the Calumet Oil company stated Wednesday morning that the proposed trout race of the Rowe special, which was disqualified in the borderland race, would not be held as a result of a telegram received from Illinois stating that the race was considered dangerous and only a small speed would be allowed while passing through that district. It was intended to race the car against the official time of Hugh Miller's win-plug car in the borderland.

## SWIMMING RECORD BROKEN.

Honolulu, T. H., Nov. 1.—Frances Cowell, 18-year-old of San Francisco, broke her own American record when she won the women's 100 yard swim in 23 1-2 seconds here Tuesday.

## LEFT WEISS TO OPPOSE PETE LEYVA

Fourth Game of Intercity  
Series Will Bring Star  
Twirlers Together.

## BOTH TEAMS ARE PRACTICING HARD

Plans for the fourth game of the intercity championship baseball series, to be played Sunday afternoon between the Duty Dodgers and 49th team, include the bringing together of Arthur Weiss and Pete Leyva on the pitching mound.

Friends of the two twirlers Tuesday night were making arrangements for the meeting, the plans being that Weiss pitch for the Dodgers and Leyva for 49th. Manny Ponsford, the reliable left hander of the Dodgers team, is out of the game, due to bruises received while playing football, and manager Duty is without a twirlers unless Fritz Redford feels like coming back into the box. In the event he does not pitch, Redford would be in the lineup as a pinch hitter. He has been one of the real factors of Dodgers success during the past season.

Would Pitch on Release.  
Weiss has agreed to pitch for the Dodgers and it is felt that manager Cardozo, of the 49th team, would readily give him his release in order to even up the series, as he has Leyva on the mound.

There are many local fans who would like to see the little south-paw work in another game this year and it is likely that managers Duty and Cardozo will be petitioned to arrange the series and secure the fans a pitching duel of the highest caliber.

It was originally intended to play the last game of the series last Sunday afternoon, but in view of the conditions of good weather the officials hope to complete the series of five games. The 49th team at present has an advantage of having won two games and lost but one, and in the event the Dodgers win Sunday afternoon it will give them an even break on the gammas. In view of fair weather there is no need to discontinue the games and it will furnish a weekly diversion for the fans.

## San Jacinto Team Wins A Close Game

In one of the most spirited and best played games of the Dramatic Soccer league schedule the San Jacinto team defeated the Real eleven Tuesday afternoon at Rio Grande park by the score of 1 to 0. The game was pretty contested during the last part, as the Real players made repeated attempts to make at least one point and the San Jacinto score. Alberto Armendariz, center of the San Jacinto team, scored the winning point.

The lineup of the San Jacinto team was: Solomun Ramirez, goal keeper; Fred Zeimer, left fullback; Valdo Portillo, right fullback; Adolfo, center; fullback; Frank Cuervo, center halfback; Francisco Romero, right halfback; Rafael Gutierrez, left halfback; Mariano Romero, left inside forward; Alberto Armendariz, center; Alfonso Armendariz, right outside forward; Rudy Romero, right inside forward; Substitutes, Ramon Gomez, Joe Solomun, Joe Rueda.

Real—Juan Figueroa, center halfback; Carmel Rodriguez (captain), center; David, right halfback; Antonio, left halfback; Carlos, left outside forward; Felipe, left fullback; Juan, right fullback; Luis, inside right forward; Adolfo, inside left forward; Alberto, goal keeper; Daniel, inside left forward.

Winners of the T. M. C. A., officiated as referees.

## Dundee Defeats Tommy Tuohy

Newark, N. J., Nov. 1.—Joe Bonham, San Francisco lightweight, took every round and a solid round bout from Joe Walling of Chicago at the first segment of the Tuesday night.

Johnny Dundee, of New York, scored a technical knockout over Tommy Tuohy, of New York, in the fifth round of an eight round bout. Aulee Ralston of New York, 135 pounds, outpointed Soldier Bartfield of New York, 145 pounds, in another eight round bout.

Benny Valzer, of France, shaded Johnny Drummond, of Jersey City, in a 12 round bout. Drummond weighed 127 1/2 pounds and Drummond scaled 122 pounds.

Uncalled for Solis and Overcast at real bargain. Call and see them. Pearson's, 110 Texas. Fine Tailoring. —Adv.

**HANDICAPPED**  
No man is at his best or can do his best who has a weak or diseased body. A strong, vigorous body means a clear active brain and mental and chronic diseases such as heart and lung are the most prolific causes of nervousness, depression, melancholia and lack of energy. FREE. Take this booklet. It will be sent in plain English and will show you the quick and effective method of restoring your body to its normal state. It is a crime to neglect yourself.

## Interesting Games Looked For In Church Basketball League In The Meeting Of Two Leading Quintets

SATURDAY night will mark the onset of the Sunday school basketball league. The undefeated Cathedral team will meet the fast Trinity Methodist quintet in the most important game to date. If the Caths win they will have a lead which will be difficult to overcome. Trinity, however, is a very strong team and the game is expected to be a close one.

The Trinity five is generally picked to win Saturday night's game, in spite of their defeat, a week ago, by the Cathedral. Trinity, however, has been out of the game for some time and the Cathedral is expected to be a strong team.

The Cathedral are believed to have been weakened through the loss of their star player, Harry McKim, who is probably out of the game for the remainder of the season. However, Captain Ray Shea has unearthed several new players. Realizing the

## WHAT WILL YOU DO ABOUT YOUR CATARRH?

Improper Treatment leads to a Serious Stage.

Because you have doubtless been fairly comfortable through the mild summer months, and free from the soreness and irritation of the membranes, do not make the mistake of thinking that you are rid of your Catarrh. For if you suffered with this disease last winter it will again be with you in all its severity unless you have eliminated entirely from the blood the germs which cause the disease.

This of course you have not done if you have relied upon the usual local methods of treatment with sprays, ointments, jellies, atomizers, lotions, etc., the only possible effect of which treatment is to afford but temporary relief. For nothing but temporary relief can be expected from treatment which reaches only the symptoms of the disease.

Are you going to further temporize with a disease that leads to such a serious condition? Don't you know that you can use gallons upon gallons of local treatment without the slightest permanent benefit? Just give the matter a little careful thought, and you will realize that it is but a waste of time and money, besides seriously jeopardizing your health, to continue a method of treatment that has proven of so little value in making any real progress toward genuine benefit?

First of all find out just what causes your Catarrh. If it was merely a local irritation and inflammation of the delicate linings of the nose,

throat and air passages, then you might reasonably expect to be cured by the use of local remedies. But have you ever known of one single person to be freed from the slavery of Catarrh by any kind of local treatment?

Why? Simply because you have overlooked the cause of these symptoms, and all of your treatment has been misdirected. Remove the cause of the clogged up accumulation that choke up your air passages, and they will naturally disappear for good. But no matter how many local applications you use to temporarily clear them away, they promptly reappear and will continue to do so until their cause is removed.

But if you will take a treatment that goes right down to the very source of the disease and attacks it at its starting point, then you are on the right track, and can expect results. S. S. S., the fine old fifty-year-old blood remedy is an antidote to the millions of tiny Catarrh germs with which your blood is infected. A thorough course of this remedy will cleanse and purify your blood and remove the disease germs which cause Catarrh, and at the same time build up and strengthen the entire system. Don't waste further time by continuing a treatment that can make no progress toward permanent relief, but begin to take S. S. S. today, and you will receive the same benefit that others have.

S. S. S. is sold by all drug stores. Write for free medical advice about your own case to Chief Medical Adviser, 155 Swift Laboratory, Atlanta, Ga.—Adv.

## SPORTOGRAPHY By "Gravy"

MAY I not suggest that in those regions throughout the country where the voters have said their say, many are the political hearts that are weary tonight?

SIX ROBINS SIGN.  
President Charles E. Ebbetts of the Robins evidently is not waiting any time getting his players signed for next season. So far he has received the signed contracts of six members of the first of the game for the players who have agreed to terms are Rube Marquard, Jimmy Johnson, Raymond Mitchell, Raymond Schmidt, Ivan Olson and Chuck Ward. Several days ago it was announced that Wilbert Robinson has signed to manage the club next summer. A few days before the 1919 campaign closed, president Ebbetts went to Philadelphia, where the club was playing a series, and he talked over terms with nearly every member of the club.

FIFTIETH ANNIVERSARY OF FIRST FOOTBALL GAME  
On a crisp November afternoon 50 years ago in 1869, a train filled with students of the old Princeton college pulled into New Brunswick, N. J., the home of Rutgers college. The men from Princeton turned loose a mighty cheer, and it was immediately answered by a defiant shout from the Rutgers men. The first intercollegiate football game was about to be played in America, but before the historic contest the students of the rival institutions mingled in friendly spirit. In those days no charge of professionalism had ever been lodged against college sports, and the true sporting spirit of "let the best team win" prevailed. Intercollegiate contests were followed by social affairs, in which whole-hearted hospitality ruled. That Rutgers-New Brunswick football game was not held on a gridiron at all, but on a vacant lot.

The grandstand was conspicuous by its absence. Some of the spectators sat on a log or a stump, while others stood or knelt on the ground. Each team was composed of

25 men, and there were four judges and two referees. The uniforms and armor of the gridiron hero of today were unknown of. Rutgers players were distinguished by turbans of a glowing red, adding a dash of color to the scene. Otherwise, the players wore every day attire, although they shed their coats when the contests commenced. When time was called, each side divided into three parties. The "fielders" were sent to certain parts of the grounds, while the rules of the game, otherwise known as "football," were explained. Another party, called "bullwinks," were to follow the ball, which was much smaller than the pigskin of today. In the field, a third section, consisting of two men, guarded the goal of the opposing "T." At the beginning of the game, the fortunes of war were determined by the toss of a coin. Rutgers won the toss and Nassau the ball. The horrible details will be published tomorrow.

CLASS IN SPORTOGRAPHY.  
Answer—The only professional baseball game on record in which only one ball was used for the entire game was played at Columbus, Ohio, on April 12, 1912. In the American association championship contest between the Columbus team and the Columbus team, the game was played on a diamond, and the umpire tossed a ball into the diamond, and another one was required for the entire game.

TODAY'S QUESTION.  
Who is the only present American league manager who has been identified with that organization since it started? (Tomorrow's paper will tell.)

Wallace Gets  
Draw With Neff  
Phoenix, Ariz., Nov. 1.—Chet Neff of Seattle and Otto Wallace, of Milwaukee, fought ten fast and furious rounds to a draw here Tuesday night. The bout was for the lightweight championship of the southwest, held by Neff.

In the semi-final, Pete McCarty, of Fort Worth, Tex., fought six rounds to a draw with Jack Douglas of Kansas City. They are featherweights.

# FORD IS RACE WINNER
